

CONNECT & CONTRIBUTE

C3G DATABASE GUIDE FOR JOB SEEKERS AND ALUMNI

Objective:

- Connect C3G job seekers and alumni.

Target Audience:

- Current C3G participants seeking employment.
- Alumni willing to support others through networking and referrals.

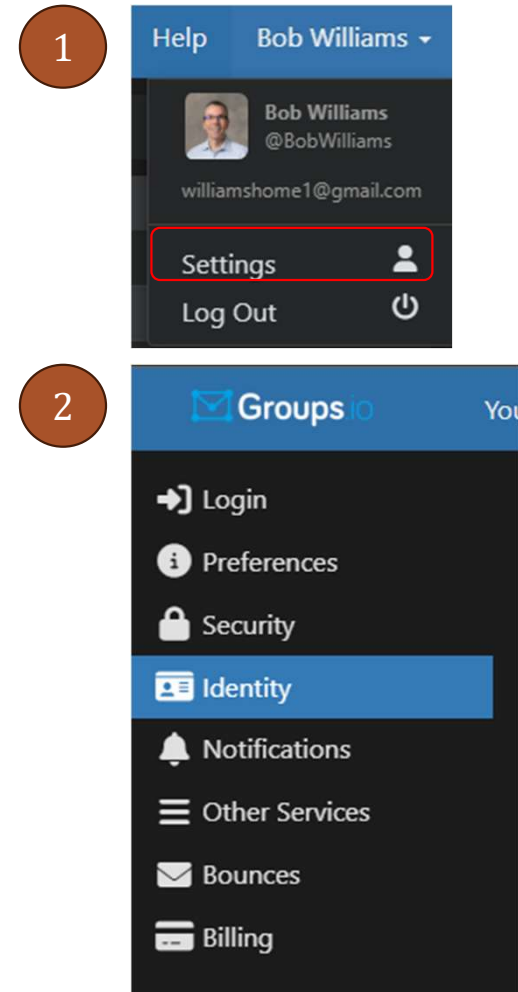

Value Proposition:

By tapping into a living, searchable alumni directory, participants can:

- Identify professionals with similar career interests or target roles.
- Connect with alumni working at target companies for potential referrals.
- Take advantage of real-time and accurate LinkedIn data for warm introductions and ongoing relationship networking.

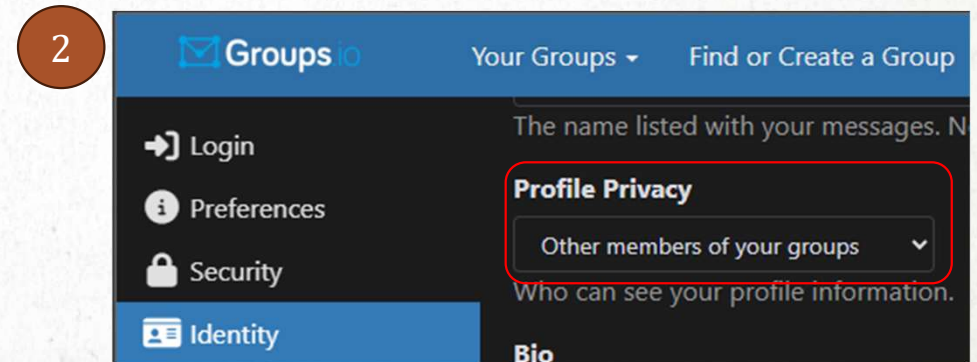

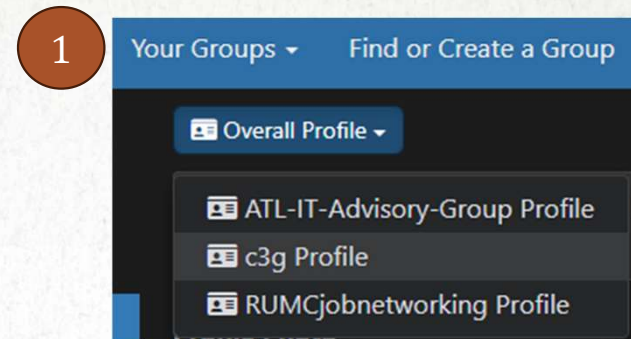

GROUPS.IO PROFILE

1. Make sure you are registered on the C3G groups.io site.
2. From <https://groups.io/g/c3g> select 'Settings' from the upper right corner of the screen.
3. Then select the 'Identity' section to update your profile.

GROUPS.IO PROFILE

1. Update the profile selector to specify the scope of the profile changes. You may want these changes available to all profiles or only the C3G profile.
2. If you want your profile to be visible to other members of the C3G group and are willing to help others in job transition set your profile privacy to 'Other members of your groups'.
3. If you want to opt-out of visibility to your profile, select 'Only group owners and moderators'.

GROUPS.IO PROFILE

1. To help others find you in the Alumni database with more targeted searches, fill in the 'Bio' section with information about your target jobs/title/industry. An example is provided.
2. Find your unique LinkedIn profile URL and place in the 'Website' field.

The screenshot shows the Groups.io profile form. A dark sidebar on the left contains navigation links: Identity, Notifications, Other Services, Bounces, Billing, and a shortcuts section. The main content area is titled 'Bio' and includes a rich text editor. A red circle with the number '1' points to the 'Bio' section header. Below the editor, there are sections for 'Target Jobs', 'My Sweet Spot', 'Career History', and 'Target Companies'. A red circle with the number '2' points to the 'Website' field at the bottom of the form.

Who can see your profile information.

Bio

... B I U

Target Jobs: Director of IT, Director Enterprise Applications, Director IT Operations, IT Business Partner

GROUPS.IO SEARCH ALUMNI

1. To search other Alumni in your industry or with common career targets, go to the C3G directory page: <https://groups.io/g/c3g/directory>.
2. Search for names or keywords using the search box in the upper right corner.

GROUPS.IO SEARCH ALUMNI

1. When selecting a specific member, you will see the information from their profile:

1. Their bio information.
2. The ability to message them directly through the groups.io platform (they receive email).
3. A link to their LinkedIn profile if they provided this in their profile.

The screenshot shows the Groups.io interface for a user profile. The left sidebar contains navigation links: Home, Subscription, Messages, New Topic, Drafts, Hashtags, Directory, Calendar, and Files. The main content area displays the profile of Bob Williams, including a profile picture, name, email (@BobWilliams), location (Suwanee, GA), and join date (2021-03-11). A 'Message' button is visible next to the name. The profile bio includes 'Target Jobs', 'My Sweet Spot', and 'Career History'. The 'Career History' section lists several roles and companies. The 'Target Companies' section lists a grid of companies operating in the Atlanta Metro Area.

Callout 1 points to the 'Career History' section. Callout 2 points to the 'Message' button. Callout 3 points to the LinkedIn profile link.

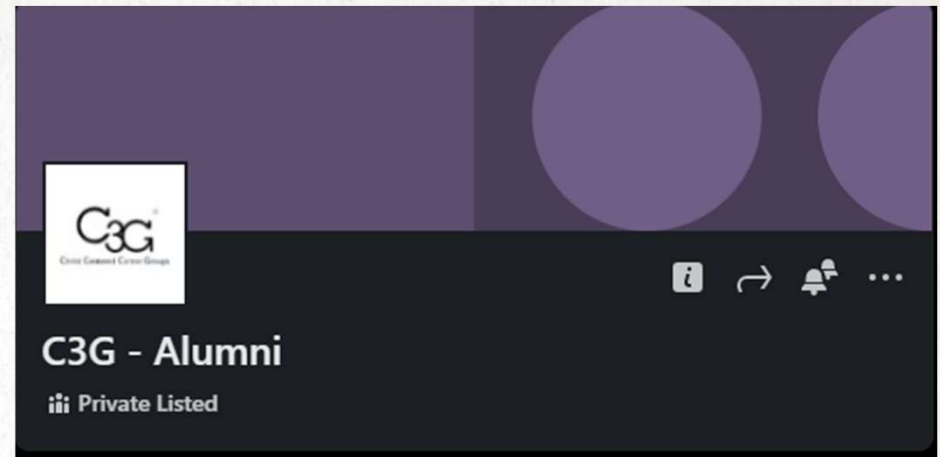

Tip!

When sending a message to a C3G active participant or alumni mention 'C3G' in your request to provide context for your request.

LINKEDIN – ALUMNI GROUP

- The LinkedIn C3G Alumni group is found at <https://www.linkedin.com/groups/3836394/>
- Request to join the group if not already a member

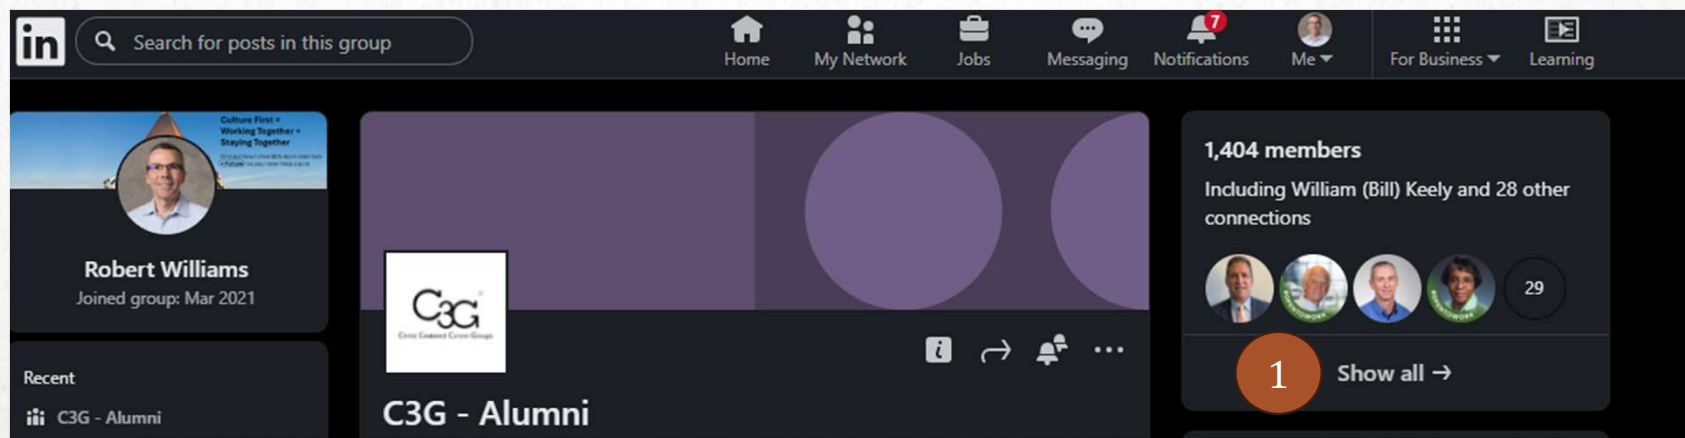

LINKEDIN – ALUMNI GROUP

1. Select 'Show all' option for members to see the directory.

Or go to

<https://www.linkedin.com/groups/3836394/members>

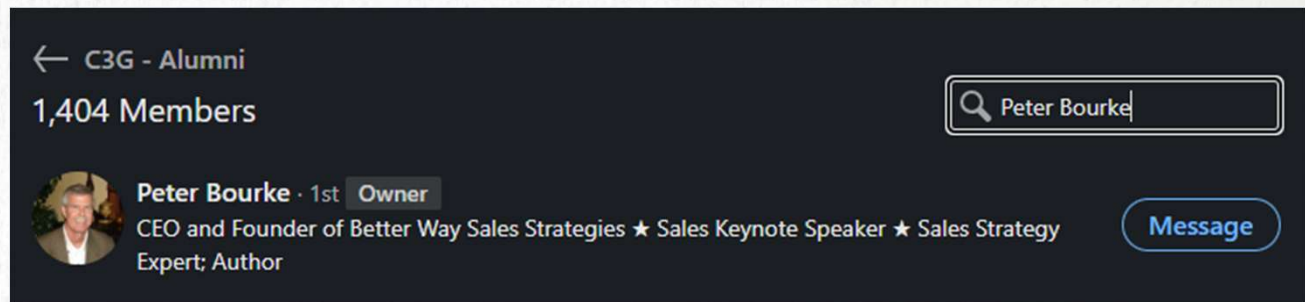

LINKEDIN – ALUMNI GROUP

Using the search box, type a member name that you found in the groups.io database.

Note:

- 1) *LinkedIn groups currently only allows searching members by names. There are no other search fields.*
- 2) *LinkedIn allows you to message common members of the group even if you are not connected with them.*
- 3) *Selecting their profile link allows you to see more current information than what may be available in the groups.io database.*

Tip!

When sending a message to a C3G active participant or alumni mention 'C3G' in your request to provide context for your request.
